Mr. William G. Miller  
Staff Director  
Select Committee To Study Governmental  
Operations With Respect To Intelligence  
Activities  
Room G-308  
Dirksen Senate Office Building  
Washington, D. C. 20510

Attn: Ms. Bloomfield

Dear Mr. Miller:

Attached you will please find comments on a  
Select Committee draft report entitled, "Production  
of Intelligence".

These comments are not restricted to security  
and factual aspects. They are the comments of a senior  
official who is prepared to meet with the author to  
discuss this draft report. He proposes the afternoon  
of 1 April 1976.

Please advise.

Sincerely,
